Sub: Successful Implementation of SOA-based CUECENT 5.3 Enterprise Service Bus Platform

Dear Sir,

To realize our vision of being a trusted partner and Bank of choice for our customers and stakeholders, we have successfully embraced many innovative banking solutions over the years. To support our technology initiatives, we chose Bahwan CyberTek as our technology partner, who have displayed commitment and dedication and provided their unstinted support in our endeavors.

Bahwan CyberTek provided us convenient and secure SOA-based Cucent Enterprise Service Bus which was built on Enterprise BPM technology platform for integrating various Merchants, Channels and Core Banking system to provide seamless services to our Customers.

It gives me immense pleasure to inform you that the implementation has been greatly successful through which we have enabled payment and payment verification services for some of the heading Government Institutions.

The platform is highly agile and helps in building any complex business or integration process. KVB associates utilized the platform and built multiple business intensive services and integration specific processes such as **Digital Lending Solutions** for Retail and SME segments , **LOS Integration** , **DLITE Mobile Banking Integration**, **Aadhaar Integration Services**, **DLITE Account Opening Services**, **Card Control Services**, **NETC Services** , **IMPS Services**, **UPI Services**, **e-Book Services**, **TNEB Services**, **Payment Gateway Integration**, **PullSMS Integration** for non-financial services, **Integration with SMS Channel**, **Integration with CBS APIs** , **Integration with FSS Switch for online debit card hotlisting and green pin service**, **IRCTC Integration** etc

This solution has greatly improved Bank's ability to provide value-added services to our customers. We have been able to provide the convenience of payments and payment verification through various merchants using the Platform.

We would like to thank BCT's Cuecent ESB team for the excellent support provided to us which has directly enhanced the ease of banking for our customers.

Regards

For THE KARUR VYSYA BANK LTD.
